DEDICATION

Bernice Stacy
Bernice Stacy

The class of 1953, in tribute to one who has given so much of her time and effort in our behalf, take great pleasure in dedicating the 1953 Courier to our former Sponsor, Miss Bernice Stacy.

Born in Bowling Green, Miss Stacy received her high school training at Rossford High School, and continued her education at Ohio Northern, Bowling Green, Ohio State, Chicago, and Toledo Universities.

Before coming to Clyde, Miss Stacy taught in several of the Wood County schools, in Perrysburg, and at one time, served as a tutor in the Big Sister's Home at Columbus, Ohio.

Outside of the classroom, Miss Stacy enjoys playing the piano, dramatics, traveling, and just being with people.

We hope that Miss Stacy will continue to serve our school for many years to come, and in closing, we offer our sincere thanks, and wish her much happiness and continued success.

IN MEMORIAM

Eva May Riach

The school was indeed shocked by the unexpected death of Eva May Riach, the heart of our office. Over a period of her seventeen years of service, Eva May became a tradition, a vital part of the school machinery.

Eva May, efficient, and devoted to the best interest of the Clyde Schools, has made for herself a place in our hearts and memories.

Only now are we beginning to fully comprehend the significance of this great loss to our school.

SUPERINTENDENT

We, the class of '53, extend our thanks to our superintendent, Mr. Virgil Briegel, for the fine work he has been doing in our community's behalf. We are very fortunate to have had his expert supervision and guidance, things which are very essential to the smooth working of any school program. We wish you much success in the future, and hope to have your leadership in our school for many more years.

Thanks to our Board of Education for the constant attention being given to the development of our school system. Their foresight and wise planning is clearly reflected both in our new facilities now being erected, and in the curriculum which is being expanded and modified to meet the needs of today—the challenge of tomorrow.

BERNARD F. HUNT

PRINCIPAL

If you ever happen to pass a door marked "Principal," between 8:30 A.M. and 3:30 P.M., chances are very rare that you'll find that door closed, or the room beyond, empty.

And if you ever need some good advice or help, Mr. Hunt will give you the best, and willingly too. He always seems to find time for everyone and everything. That is a very difficult task in this world of speed today.

A lot of credit for making Clyde High School what it is today goes to Mr. Hunt, a true friend of all.

Bernard F. Hunt.

THE CLASS HISTORY

We Seniors, who were enlisted the year of 1941 for 12 years of training in Clyde High School, have completed our basic training. Before we go, we would like to leave with you a History of our unit that tells of the happy times we had together.

In our first year of training we put on a play called "The Three Bears". The stars of this wonderful play were Jim Mitchell as Papa Bear, Judy Hughes as Mama Bear, Kit Shanahan as Baby Bear and Rena Prouty as Goldilocks. The rest of the unit formed a chorus in the background. Then there was that beautiful band called "The Toy Band", led by that wonderful leader, Miss Shirley Tressler.

Our second year of training was a quiet year. This came about because of the big paddle Miss Bertha manipulated; if we were not quiet she would come along and "whack" us.

During the third year a new recruit entered our unit, James Avers. Although Jim was supposed to be a year behind us, he was so smart they put him in with us.

In the fourth year Kit Shanahan and John Jackson argued about whether there was or was not a Santa Claus. Can't you just see our whole unit in tears when we found out there wasn't any Santa Claus!

That year Mrs. Broud made us stay after school because we didn't learn our history. "Tough Boy", LaMar Wott, cried all the time we were there.

During the fifth year of training two more recruits entered our unit, Gaylene Jones and Bob Trudeau. Bob was quite a corker, he was the envy of every girl. I wonder how many girls Bob had that year?

Love was blooming in the sixth year. It seems that Mr. Riegel asked Glenn Ray what he was doing. Glenn said he was studying his spelling so Mr. Riegel asked him to spell "Honey". Before spelling the word Glenn pronounced it and Shirley Tressler, whom it seems Glenn was squiring, said, "YES?".

During the seventh year Glenn Ray went in the Library and when Miss Reardon (now Mrs. Sarvis) came in, he crawled under a table. Miss Reardon knocked on the table and said 'Glenn Ray, you come out of there'. Glenn knocked on the table and said, 'Come in and get me'.

The J-Teens had a formal dance during our Freshman year; for most of us it was our first formal dance. Oh, it was heavenly tripping over our long formals!

THE CLASS HISTORY

Then there was the Biology Party we had at the end of our Sophomore Year. Mr. Miller looked wonderful in his bathing suit. This was the year Pat Pearce entered our unit.

Next came the busy Junior Year, every one was waiting for their Class Ring. Our play for the year was "Magnificent Obsession". Came spring, and heavens to heavens, our Senior Prom, the theme, "The Garden Gate Stands Open".

The fad this year was white bucks.

Last but not least comes our glorious Senior Year. This year the parties are flying hot and heavy. Our motto is "Let's have a party". At the beginning of the year the fad was bleached hair.

As you can see we have had a marvelous time and are sorry to leave. But we must take off, so we will say good-by and good luck to all.

DEPARTURE

We who leave you
Bear our burden well
You have taught us what things
Have value and what things
Deserve an everlasting shrine in
our memories.
Let us come at some distant time to
visit you,
But never shall we ever be allowed
to be a part of you again.

ACTIVITIES

My staff and I are happy to present to you, the students, faculty, administration, and friends of the Clyde Schools, the fifth edition of the Courier.

I am quite proud of our Courier, and am even more proud of my staff, without whose efforts this book could not have been produced. Therefore I want to take this opportunity to give credit where credit is due.

Mr. Koester, Barbara Buck, James Avers

YEARBOOK STAFF 1953

SENIOR EDITOR: James Avers

Again this year I was lucky to obtain a person of outstanding ability to head my staff. It is impossible for me to give you in these few lines, even a summary of his duties. I can only say that I received that type of service and assistance that we have all been receiving from the Avers family for many years. I am sure that no further explanation is necessary.

JUNIOR EDITOR: Barbara Buck

With an eye toward the future, I chose Barbara for this position. I have not been disappointed in this choice. She possesses those qualities which are so necessary for one who assumes the responsibilities of an Editor, namely, ability to plan, and willingness to work.

BUSINESS EDITORS: Judy Hughes and Kathryn Myers

Upon Judy rested the burdens of the Yearbook subscription campaign and the Magazine drives. On top of this, she did much of the typing for the yearbook, and all of my correspondence typing.

For the second year Kathryn handled most capably the longest and most monotonous job I had to offer—the ice cream stand. This job means work five days each and every week of school. She also served as Class Historian.

Both of these girls spent many hours doing work which, not even remotely, could be related to their responsibilities as Business Editors.

Judy Hughes, Kathryn Myers

YEARBOOK STAFF

CLASS EDITOR: Nancy Friedley

Nancy's job was to supply all information, including proper identification of all students of the Clyde Schools whose pictures appear in this book. With approximately 1100 students involved, one can easily realize that this was not a one day task.

ORGANIZATION EDITOR:

Shirley Tressler

This was Shirley's second year as Organization Editor. She completed her job in record time, and then devoted her time to helping those people who were in need of some dependable assistance.

Nancy Friedley, Shirley Tressler

Dolly Hendricks, Jim Humberger

SPORT EDITORS: Dolly Hendricks and Jim Humberger

One reason for the increased size of the Yearbook this year is the expanded Sport Section. I am sure that you will agree that the Sport Section is one of the high lights of this book. Here is a splendid example of success through teamwork. I hope for even more detailed sport coverage in the future.

PHOTOGRAPHERS: Carol Finkler, Virginia Limbert, and Barry Brown

The job of obtaining good informal pictures is not an easy assignment. I feel that we are obtaining as good results as can be expected under present circumstances. The yearbook is very much in need of some good photographic equipment. These people deserve thanks for using their personal equipment to do this job for our school.

COACH'S COMMENTS

The football season of 1952 afforded many happy moments and a few sad ones.

The season's record stood at 6 wins and 3 losses, those losses being by a few points. Clyde was represented on the S. B. C. all conference team, with Jim Mitchell at end on the first team, Robert Metzgar, back, on the second team and Walt Dayringer, tackle, and Ronnie House, guard, third team and Robert Wilson, tackle, honorable mention.

The thirteen graduating seniors will leave many positions open to be filled by undergraduates. We wish good luck in future years to those boys who played on the gridiron for Clyde High School and we will always keep a spot in our hearts for them.

—Robert Miller

SENIOR PROFILES

We, the Seniors of '53,
Are happy and grateful as can be;
With Mitch and Jerry at each end,
Our goal they could usually defend.
Jackson, with all his steam—
Was great credit to our team.
We had a good center! His name was Johnnie,
Our two great guards were Hummey and Ronnie.
Now to get to the heavier side,
We had three more great boys from Clyde.
When Pinky, Jiggs, and Dinger hit guys,
This was the time you began to hear cries;
And then, when called into a game,
Jack could keep his temper tame.
Getting back to the lighter weights,
Irishman Kit played well with his mates.
When Beanie threw a long pass,
He thrilled the heart of many a lass,
While Wottie's duty was no cinch
That extra point the game might clinch.
And now your football days are through,
To dear Clyde High we must say adieu;
Those uniforms we will leave behind,
For underclassmen to take over the line.
We thank you for your toil and strife,
And hope you have a happy life.

COACH'S COMMENTS

The 1952-53 season proved to be highly successful for all the basketball squads. Our varsity team recorded the best record for a Clyde varsity squad in 11 years. At times the team looked as good as any class B team in the area, displaying fine passing, shooting and teamwork. We had the misfortune of having a bad night when the chips were down in the protest tourney, but even in defeat the boys proved to be true sportsmen. This year was the last for Jim Mitchell, a boy who no doubt can be ranked as the finest basketball player Clyde has produced. He was named 1st team conference, 1st team tourney, 1st team Toledo Blade, and 1st team News Messenger for both his junior and senior years. We also lose Jim Sargeant, Glenn Ray, Floyd Thornton, and John Jackson through graduation. We wish these boys the best of luck. As I look back over a successful season, I must also look into the future. I will have two returning lettermen, Robert Gray and Robert Michaels, boys who did a good job this year and expect to do a better job next season. I will also receive from the reserve squad a group of boys who compiled an excellent 11-2 record, the first winning reserve squad in a number of years to advance to the varsity. We expect you boys to give Clyde some fine basketball in the years to come.

The Junior high squad developed into a good playing aggregation and we look for some good basketball players to emerge from this group after receiving more experience.

COACH'S COMMENTS

Clyde High fielded probably the youngest high school baseball team in this area for 1952. Despite their inexperience the boys presented a hustling, willing ball club. Bob Berie, the only Senior in the regular lineup, was the team's leading hitter. Sophomore, Bob Gray, did a fine job of hurling and should develop into a good pitcher for Clyde High. With more experience these boys should give us some fine baseball in the next two years.

COACH'S COMMENTS

The Fliers completed their 1952 season undefeated until the final meet of the year—state meeting final in Columbus.

The unparalleled all around strength of the Fliers was felt by their opponents as the Blue and Gold team won by great margins over Upper Sandusky, Willard, and Gibsonburg in dual meets, and then for the second consecutive year won the Clyde Relays, Sandusky Bay Conference Meet, and the District Meet. Only a severe injury to Bob Fox, Clyde's all Ohio track performer, kept the Fliers from a possible State Championship.

The 1953 team should have enough depth to continue the efforts of the 1952 squad.

The Fliers will continue to have power in the dashes, hurdles, and relays. The distance runs are coming in for a lot of attention and should the Fliers improve in this department, they will continue their winning ways—having won 44 of their last 48 dual and triangular meets.

Lettermen that are eligible to participate during the 1953 season are James Avers, Jerry Keegan, LaVerde Kuns, Jim Mitchell, John Schwan, James Sargeant, Barry Brown, Floyd Thornton, Larry Whittaker, LaMar Baker, Ronald Brucher, Ronald House, Glenn Ray, Ronald Baker, Dean Ernsberger, John Fiser, Dave Gillette, Ronald Golembiowski, Ronald Dick, Roger Kuns, Robert Metzgar, and Bradley Maines. There are several Sophomores who have great possibilities and will make the lettermen work for their positions.

ROW 3: Jane Walters, Frances Stevenson, and Shirley Howey.

COACH'S COMMENTS

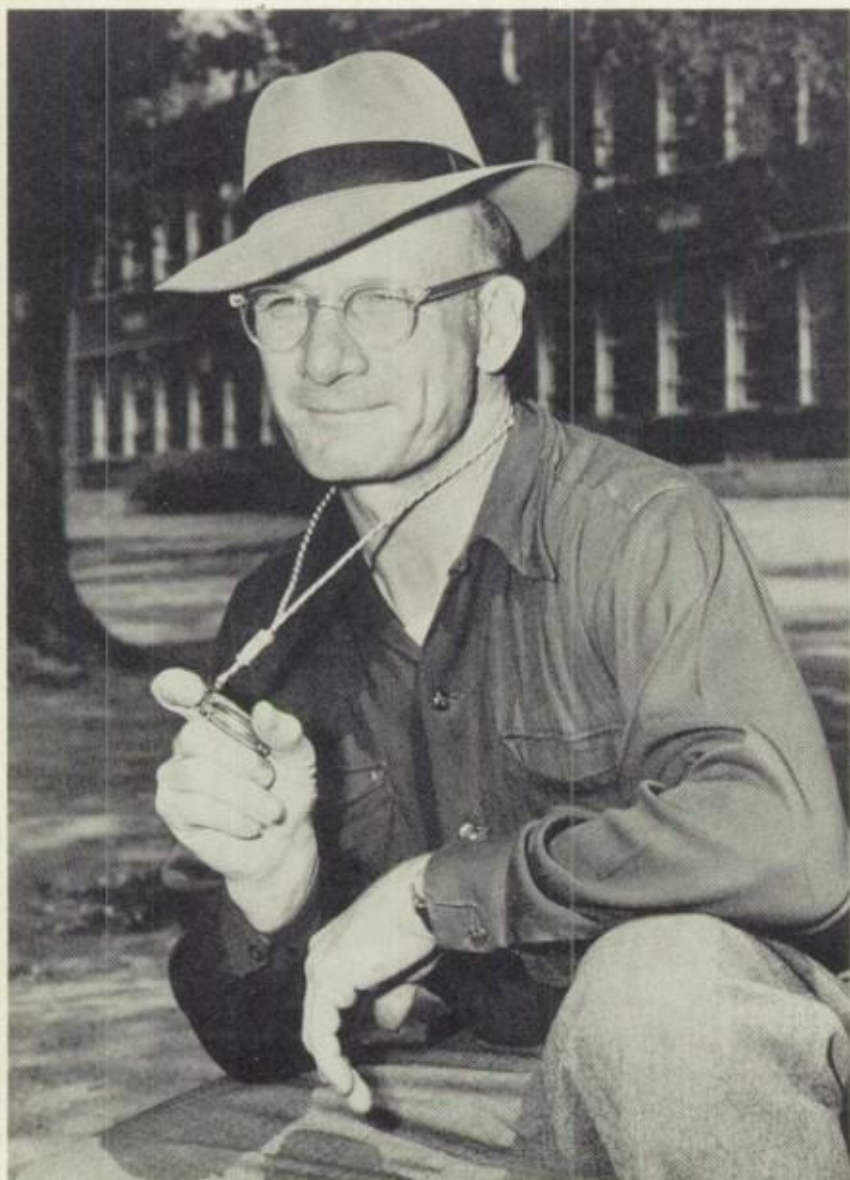

Several members of the group pictured on this page, in addition to representing Clyde High on the Volleyball court, also served on the girl's Basketball Team.

After a busy Volleyball season, the girls passed through a most successful Basketball season, consisting of 8 wins, 1 tie, and 1 defeat.

The girls deserve a great deal of credit for their sportsmanship as well as their record.

CLYDE COACHING STAFF

A. W. Hendricks, Athletic Director

Coach Hendricks has had a big role in developing the fine athletic program of our school. His motto, "play for all", is exemplified by the large number of our students participating in the athletic program, both on school teams and in intramurals. For many years he carried the load alone, but now, with our increased enrollment, the department has expanded into a very efficient staff under his direction.

LET'S MEET THE COACHING STAFF

Norman Brautigam is completing his third year as Basketball and Baseball coach, also assisting with the coaching of the Football squad.

Robert Miller is also completing his third year of coaching here. He is Head Football and Reserve Basketball coach.

Raymond Morrow is the newest member of the Athletic Department, this being his first year at Clyde. His coaching job lies in the Junior High grades.

Jack O'Harrow has returned to his Alma Mater to teach and coach. His work is in the elementary grades, developing our athletes of the future.
